

BP 1250 VOLUNTEER ASSISTANCE

The wealth of experience available in the community is a resource that should be used in appropriate ways to enrich the educational program and strengthen our schools' relationships with homes, businesses, public agencies and private institutions. By their presence, volunteers also can make school environments safer and more closely supervised. The School Board encourages parents/guardians and other members of the community to share their time, knowledge and abilities with our students.

All persons who wish to perform more than 2 hours of volunteer service with or around students shall submit evidence that they are free from active tuberculosis and have been fingerprinted for criminal record clearance.

The Superintendent or designee may authorize the use of volunteers. The Superintendent or designee shall establish regulations to protect the safety of both students and volunteers.

Like employees and students, volunteers shall act in accordance with district policies and regulations.
