

BP 1313 WILLFUL DISRUPTION OF THE SCHOOL

The School Board recognizes that parents, legal guardians, and other adults may misunderstand or disagree with the policies of the district or the actions of its employees. The School Board expects the staff and administration to respond to such concerns in a polite and professional manner. The School Board also expects that parents and other adults will conduct themselves in an appropriate manner in their efforts to pursue such matters, including use of the district's complaint procedures.

In resolving such concerns, a safe and orderly learning environment in which teachers can teach and students can learn must be maintained. The School Board does not condone having its employees subject to name calling, defamation of character, threats or coercion of any kind. Adults who violate these standards of conduct shall be instructed to conduct themselves in a proper manner or to leave school district property. Should an individual refuse to follow these instructions in a prompt and orderly manner, the Superintendent, principal, or designee is authorized to call law enforcement agencies for assistance to have the individual removed and charges may be filed for willful disruption of the school. Other charges which are applicable may also be filed at the discretion of the administrator.
