

## **BP 1312.1 PUBLIC COMPLAINTS CONCERNING SCHOOL PERSONNEL**

The School Board places trust in its employees and desires to support their actions in such manner that employees are free from unwarranted, spiteful or negative criticism and complaints. The Superintendent or designee shall develop procedures which will permit the public to lodge complaints or criticism against staff members, assure full consideration, and protect the rights of the staff members and the district. Verbal complaints against an employee initially made to a School Board member, Advisory School Board member, or at a School Board meeting will be referred to the Superintendent or designee for appropriate consideration and action.

The District will respond to complaints concerning school personnel, investigate as appropriate, and take action as may be necessary or advisable to resolve the concern. Complaints should follow the complaint filing and resolution process set forth in administrative regulation.

The process for complaints concerning school personnel will be administered in a fair and nondiscriminatory manner on behalf of both the complainant and the personnel involved.
