Team Meetings

His/her problems shall be described as precisely as possible, and a plan for resolving these problems shall be developed.

Strategies and interventions may include, but are not limited to:

2. Contracts for task completion and/or behavior modification.

3. Daily progress reports.
4. Use of after-school tutoring, peer tutoring, cross-age or cross-grade tutoring or buddy system.
5. Reinforcement and modifications at home.
6. Special instructional strategies for students of limited English proficiency.
7. Strategies for improving social skills and peer relationships.
8. Special school projects or programs.
9. Modified day.
10. Period-by-period attendance.
11. Inschool suspension.
12. Detention.
13. Saturday school or work program.
14. Leave of absence.
15. Work experience education.
16. Transfer to a different school.
17. Referral to district resource staff for academic assessment.
18. Referral for health examination.
19. Referral to school psychologist.
20. Referral to community agency or other community resource.
21. Referral of family to community agency.

Whenever the student study team is considering the possibility of transferring a disruptive student to another school, the principal or designee of the school to which the student may be transferred shall be invited to attend the study team meeting before a final recommendation is made.

A follow-up meeting shall be scheduled to evaluate the effectiveness of the plan and the extent to which the recommended strategies have been implemented. The plan shall be modified as needed. Subsequent review meetings may be held to monitor the student's progress and reinforce the fact that real change for students takes sustained effort over time.
