

BP 0210 GOALS FOR STUDENT LEARNING

The School Board believes that a quality education provides an opportunity for each student to develop:

1. The concept of self-worth and the ability to exercise self-discipline.
2. A positive attitude toward responsible citizenship.
3. Mastery of the basic skills and a working knowledge of mathematics, technology, reading, language arts (including effective oral and written communication), the sciences, geography, history, government and citizenship, world languages and fine arts.
4. Skills and other competencies leading toward economic independence consistent with the individual's interests and basic potential.
5. Skills to think logically and critically.
6. An awareness and understanding of our country's history and ideals and its diverse ethnic, racial and cultural heritage.
7. An awareness and understanding of the heritage, ideals and contributions of other cultures, races and countries.
8. The opportunity to develop the capability of students to appreciate beauty in literature, art, music and nature, and to recognize, value and use creativity.
9. A recognition of the importance of physical and mental health and an understanding of skills for a healthy life.
10. An ability to adapt and participate constructively in a changing society.
11. An understanding of the relationship of people and his/her environment.
12. Moral and ethical values based on the rights and responsibilities of individuals and their relationships to each other.
