

BP 6155 CLASS EXAMINATIONS/CHALLENGING COURSES BY EXAMINATION

Challenging Courses by Examination

The School Board recognizes that students have unique and varied backgrounds and may already possess the skills and knowledge covered by a particular course. Students in grades 9 through 12 will be provided the opportunity to challenge approved courses by examination. Course challenges are available for courses offered by the district in math, language arts, science, social studies and world language. The district will give full credit for a course to a student who successfully challenges the course by demonstrating mastery of the subject.

The Superintendent or designee shall establish an assessment tool and standards for demonstrating course mastery; as well as procedures for course challenges.
