

BP 6162.8 RESEARCH

The Superintendent or designee may authorize requests to conduct educational research or student surveys if the request proposal:

1. Shows potential for improving instructional programs and strategies.
2. Addresses a relevant educational problem.
3. Avoids duplication of existing data or literature.
4. Is designed so as to minimize interruptions and demands upon the time of students and staff.

The Superintendent or designee shall not permit the administration of any questionnaires or surveys regarding a student's private family affairs without first obtaining written parental permission. (AS 14.03.110)

(cf. 5145.15 – Student and Family Privacy Rights)

All instructional materials, including teacher's manuals, films, tapes, or other supplementary materials which will be used in connection with any survey, analysis, or evaluation of any applicable program shall be available for inspection by parents/guardians.
