

BP 9310 POLICY MANUAL

In governing the district, the School Board has pledged to consider the will and needs of the community. The district's policy manual is developed, distributed and maintained for the purpose of communicating to interested parties the policies, regulations and bylaws within which our schools will operate.

The School Board desires that the community and district employees have access to the policy manual. The School Board welcomes suggestions from the public regarding its adopted policies and regulations. A public copy of the manual shall be maintained in the district central office. Districts publishing policies online shall provide access to policies at each school and at the district office.

Districts with no online access will maintain a policy manual at each school site so that it may be examined by students, staff and other interested parties during normal business hours.

(cf. 1340 - Access to District Records)

The Superintendent or designee shall provide access to copies of the district policy manual to School Board members, central office administrators, principals, recognized employee organizations, and other key district personnel.

As necessary, the district shall develop or revise policies and regulations in order to reflect new legislation and changing community views. The Superintendent or designee shall maintain procedures for distributing to all authorized manual holders copies of new or revised policies, bylaws and regulations after adoption. The Superintendent or designee shall annually arrange to have all district policy manuals monitored to ensure that they are up to date and complete.
