BP 1250 VOLUNTEER ASSISTANCE

The School Board recognizes that volunteer assistance in schools can enrich the educational program, increase supervision of students, and contribute to school safety while strengthening the schools' relationships with the community. The Board encourages parents/guardians and other members of the community to share their time, knowledge and abilities with our students.

The Superintendent or designee may authorize the use of volunteers. The Superintendent or designee shall establish regulations to protect the safety of both students and volunteers.

All persons who wish to volunteer service with or around students must undergo a background check.

Like employees and students, volunteers shall act in accordance with district policies and regulations.
