

## **BP 5121 GRADES/EVALUATION OF STUDENT ACHIEVEMENT**

The School Board believes that students and parents/guardians have the right to receive course grades that represent an accurate evaluation of the student's achievement. Teachers shall evaluate a student's work in relation to standards which apply to all students at his/her grade level, not in relation to the work of other students in one particular class.

Grades should be based on impartial, consistent observation of the quality of the student's work and his/her mastery of course content and objectives as demonstrated through classroom participation, homework and tests. The student's behavior and effort shall be reported in separate evaluations, not in his/her academic grade.

*(cf. 5113 - Absences and Excuses)*

*(cf. 5123 - Promotion/Acceleration/Retention)*

*(cf. 5124 - Communication with Parents/Guardians) (cf. 5125.3 - Challenging Student Records)*

*(cf. 6154 - Homework/Make-up Work)*

In order to promote self-esteem and experiences of success, students in kindergarten through third grade shall receive narrative performance or skill-based evaluations rather than letter grades.

The Superintendent or designee shall establish and regularly evaluate a uniform grading system. Principals shall ensure that student grades conform to this system.

### **Unexcused Absences**

If a student misses class without an excuse and does not subsequently turn in homework, take a test or fulfill another class requirement which his/her missed, the teacher may lower the student's grade for nonperformance. Teachers shall inform students about the class grading system at the beginning of the semester.
